One day.....

Midori's younger sister,SHINKO has opened the wonderful door. It was the world of the soul which SHINKO entered.

✣

Since it was dangerous when it was as it is, MIDORI and SHIRAYUKI went there, in order to help SHINKO. ODAMAKI of classmate, and ASAGAO of chairman, will also go together.

✣

However, if it went to the world of the soul, although it saw, only the monster as which an identity does not become known was there.

✣

If unthermore, when the ASAGAO gained the gun in fact, it became clear that they were those into whom character changes. Can they rescue her..?
